Call for Research Abstracts at CSA 2022 Annual Meeting
April 7-10,2022 | Hyatt Regency Mission Bay, San Diego

The California Society of Anesthesiologists would like to invite you to participate in the annual Oral and Poster Presentation competition at the CSA Annual meeting, April 7-10, 2022 in San Diego.

The best 12 submissions will be chosen for oral abstract during a CME session. Those remaining will be invited to present their research as a poster, which will be judged and viewed separately from the Oral competition. The schedule of events is as follows:

   Friday 12:00-12:30 pm  Poster Viewing
   Friday 3:15-3:30 pm    Poster Viewing
   Friday 3:30-4:30 pm    Oral Presentations
   Saturday 9:30-9:45 am  Poster Viewing

Deadline for submission is Monday February 28, 2022, by close of business.

The Annual Meeting’s scientific committee will review your abstract submission and will notify you by March 7, 2022 of their decision. If your abstract has been selected as an oral presentation, then the date and time of your presentation will also be announced. Please see below for the Abstract Guidelines and Template.

The abstract presentations are an excellent opportunity for recent, up to date and relatively unknown research/points of view on health issues/case reports to be shared with fellow peers. The object is to hopefully effectively translate the information given into improved health care delivery for all our patients.

We look forward to your submissions.

Sincerely,

Ashely Broussard, MD
Abstract Chair

Rita Argawal, MD
2022 Annual Meeting Chair
CSA 2022 Annual Meeting Anesthesia Abstract Presentation Guidelines

1. Abstract submission is open to all Practicing Physician Anesthesiologists, Nurse Anesthetists, Anesthesiology Residents and Fellows; and Medical Students.

2. An abstract of no more than 200 words should be submitted electronically February 28, 2022, to: https://forms.gle/VRYG7qWesdGbqP596

3. The papers are submitted with the understanding that they represent recent work performed primarily by the presenter. This does not preclude their presentation in National or International meetings after January 1, 2021, or publication in press in a peer reviewed journal by June 2020.

4. Topics should have a clinical message pertaining to Ambulatory Anesthesia, Chronic and Cancer pain, critical care, Equipment, Monitoring and Engineering technology, Geriatric Anesthesia, Obstetric Anesthesia, Outcome Research, Patient Safety, Pediatric Anesthesia, Regional Anesthesia and Acute Pain. Case reports are welcome.

5. The Annual Meeting’s Scientific Committee will select 10 abstracts for live presentations based on their academic merit, clarity, method of presentation and originality.

6. The presentation will be for 7 minutes with questions afterwards

7. All accepted PowerPoint Presentations will need to be submitted ahead of time for approval

8. A disclosure form for any relevant financial relationships will be sent and must be received by all giving an oral presentation.

9. The winner of the abstract session will receive their registration fee to the CSA 2023 Annual Meeting & Workshops provided complimentary. The winner will be notified by email and the prize given out on Sunday before the first session. 50% discount for 2nd place. 25% discount for 3rd place.

10. PowerPoint suggested Format should include:
    Title and authors. Include all names and institutions.

    For a case report present the relevant facts and conclusions. Be mindful of HIPPA.

    For studies
    Introduction. Introduce the topic with an outline including background information and relevance describing how this project will add new information in the field.
    Methods. Describe the steps you used for your project.
    Results/Data Analysis. A brief description of the data, and what the results demonstrate.
    Conclusions. Summarize the main points.
    Future Directions. Briefly describe what will happen next for your project.
