2024 WINTER ANESTHESIA CONFERENCE

Learn from the most respected physician anesthesiologists about
anesthesiology and perioperative care

January 29-February 2, 2024
Grand Wailea, Maui

2024 CSA WINTER ANESTHESIA CONFERENCE

Welcome from the Chair

Aloha Colleagues!

I invite you to leave the winter cold behind and join your California Society of Anesthesiologists (CSA) Family in beautiful Maui for the **Winter Anesthesia Conference** at the magnificent **Grand Wailea Waldorf Hotel and Resort**. Learn and network with your peers in the morning, and enjoy the afternoon with Maui's warm and welcoming beaches, hospitality, and much needed relaxation. The Grand Wailea is an exceptional property, perfect for young families and a wonderful opportunity for a CME Getaway!

Our Educational Programs Division has the primary mission of encouraging innovation and professional collaboration through education. This conference is designed to expand your skills and knowledge to help you confront the challenges related to the growing complexity of our patients and specialty. We emphasize a multidisciplinary scientific approach to help you deliver state-of-the-art clinical care now and chart a course toward the anesthesia care of the future.

This year's program has been developed in response to educational priorities defined by prior CSA meeting attendees. We are fortunate to host seven world-class speakers from premier institutions and varied clinical practices, speaking on topics including:

- Regional Anesthesia
- Pain Medicine
- Cardiothoracic Anesthesia
- Pediatric Anesthesia
- Obstetric Anesthesia
- Perioperative Medicine
- Critical Care
- Practice Management Issues

The conference offers 25 hours of accredited CME, which includes 18 hours of MOC Patient Safety credits and daily PBLD's utilizing online polling. The educational sessions are held each morning, leaving afternoons free for exploration of the island's spectacular terrain and waterfalls.

Welcome to Paradise! The Grand Wailea Waldorf Astoria Resort is a legendary historical resort with par excellence service as only expected by the Waldorf Astoria brand. Fronted by the stunning Wailea Beach and surrounded by 40 acres of lush tropical landscape, the resort offers a tropical oceanfront paradise featuring luxurious accommodations with ocean-front balconies, award-winning cuisine, Hawaii's largest private art collection, locally inspired spa treatments, nine extraordinary pools, waterparks and lazy rivers, and championship golf and tennis nearby.

For those wanting to explore the island, Maui's unique landscape and activities cater to just about every interest including hiking Haleakala National Park, famous black sand beaches at Wai'anapanapa State Park, and a day of driving along the Road to Hana. The island offers its history in the Old Lahaina Lu'au, local coffee farms and rum distilleries, or simply enjoy sampling the local restaurants and shopping. For sure, there is something for everyone on this magnificent island.

Don't wait! Schedule your CME time away and enjoy paradise at the Maui Grand Wailea Waldorf Astoria, with **exceptionally low room rates** reserved for CSA attendees.

Truly looking forward to welcoming our CSA family and meeting new faces in Maui in January 2024.

2024 CSA WINTER ANESTHESIA CONFERENCE

The annual CSA 2024 Winter Anesthesia Conference is a comprehensive program designed to enhance the continuing medical education experience of physician anesthesiologists, fellows, residents, and other healthcare providers. Topics selected provide updates on the latest clinical information in anesthesiology and its subspecialties.

STATEMENT OF EDUCATIONAL NEED

Anesthesiology is a dynamic specialty with significant changes expected on several fronts in the years to come, including new clinical technologies and practices, regulatory changes, business process changes, and overall changes in the health care environment. In addition to covering the latest clinical information, this program seeks to prepare participants for emerging and anticipated changes in the practice of anesthesiology.

ACCREDITATION AND CREDIT DESIGNATION

The California Society of Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

The California Society of Anesthesiologists designates this live activity for a maximum of 25 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION IN ANESTHESIOLOGY

Maintenance of Certification in Anesthesiology Program[®] and MOCA[®] are registered certification marks of The American Board of Anesthesiology[®]

This activity contributes to the patient safety CME requirement for the CME component of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology[®] (MOCA[®]) program, known as MOCA 2.0[®]. Please consult the [ABA website, www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements. This activity is certified for 18 MOCA units.

2024 CSA WINTER ANESTHESIA CONFERENCE

Faculty Disclosures

Mitigation of Relevant Financial Relationships

The California Society of Anesthesiologists requires all planners, faculty, and any persons in a position to control content for this educational activity to identify all financial relationships with any ineligible company, as defined by ACCME, to determine relevant conflicts of interest. Disclosures of these relevant financial relationships will be published in activity materials and distributed to all registered attendees. All relevant financial disclosures will be mitigated.
