KAUAI**

California Society of ANESTHESIOLOGISTS

**2025 CSA Fall Conference
November 3-7, 2025
Grand Hyatt Kauai**

Speaker Listing:

Unless otherwise noted, speakers do not have any relevant financial disclosures

Eugenia Ayrian, MD, FASA

Vice Chair of Education, Clinical Professor of Anesthesiology
University of Southern California Keck School of Medicine
2025 CSA Fall Conference Program Chair
Neuro

Ed Mariano, MD, MAS, FASA, FASRA

Professor and Vice Chair in the Department of Anesthesiology, Perioperative and Pain Medicine, Stanford University School of Medicine and Chief of the Anesthesiology and Perioperative Care Service at the Veterans Affairs Palo Alto Health Care System
Regional

Holly Muir, MD

Vladimir Zelman Professor and Chair, Department of Anesthesia Keck School of Medicine of USC
OB

Christina Menor, MD, MS, FASA

CSA President Elect
Private Practice

Disclosure: Consultant: Parexel; Stock ownership: Boston Scientific Corporation, Catalyst Pharmaceuticals, Cocrystal pharma, Doximity, General Electric, Gilead Sciences (aka Gilead Foundation), GoodRx, Innoviva, Jazz Pharmaceuticals, Moderna, Parexel, Pfizer Inc., Viatrix, Voyager Therapeutics

Odinakachukwu "Odi" Ehie, MD, FASA

Associate Professor of Anesthesia and Perioperative Care
UC San Francisco
Pediatrics

Ryan Fink, MD

Associate Professor of Anesthesiology and Perioperative Medicine, School of Medicine
Oregon Health & Science University, Department of Anesthesiology and Perioperative Medicine
ICU

Amy Pearson, MD, FASA

Advocate, Aurora Healthcare
Pain Management

Program:

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00-8:00	*Fink: Management of Unstable Postoperative Patients in the ICU	*Mariano: <u>US session:</u> Upper and lower limb blocks for every anesthesia practice	*Ayrian: <u>PBLD:</u> Are you comfortable? – You are going to be awake! – Anesthetic management of the patient during awake craniotomy.	*Muir: Contraindication to neuraxial anesthesia in OB - where are the boundaries?	*Ehie: Blue and Alive: Management of Pediatric Pulmonary Hypertension
8:00-9:00	*Ayrian: Craniotomies All day! Smooth sailing for the occasional neuroanesthesiologist!	*Muir: <u>PBLD:</u> I gave my usual dose for a labor epidural and it not working – is it me or the patient?	*Pearson and Mariano: <u>Combined session:</u> Acute to chronic pain or the management of complex patients (SUD, chronic pain, long-term opioid therapy) who have surgery!	*Pearson: Management of pumps / stims not in the Pain Medicine clinic	*Muir: Maternal mortality when higher is not better
9:00-10:00	*Mariano: <u>PBLD:</u> Rebound pain after regional anesthesia: strategies for prevention and management	*Pearson: Anesthesia Patient Safety top topics for 2025	*Ehie: Pediatric Anesthesia Hot Seat: Rapid-Fire Cases & Q&A	*Fink: Cardiac arrest beyond ACLS	*Mariano: <u>US session:</u> Fascial plane blocks of the chest and abdomen for every anesthesia practice
10:00-10:15	Morning break	Morning break	Morning break	Morning break	Morning break
10:15-11:15	Muir: OR efficiency – what does it really mean?	*Ayrian: Is general anesthesia harmful? – ASA brain health initiative. Caring for patients with postoperative delirium	Mariano: Practice management in regional anesthesia: communication, collaboration, and coding	Ehie: <u>PBLD:</u> Cultivating Allyship: Tools for Meaningful Support	*Fink: <u>PBLD:</u> Post-operative atrial fibrillation evaluation and management
11:15-12:15	*Ehie: Pediatric Anesthesia 101: A Guide for Non-Specialists	Menor: Sustainability & Anesthesiology: What can I do anyways?	*Fink: Acute GI Bleed in the ICU	*Menor: Sicker & Quicker: Managing Patient. Challenges in the Ambulatory Surgery Center	Pearson: Neurodivergence in medicine

*Denotes a MOCA lecture

Accreditation and Credit Designation

The California Society of Anesthesiologists is accredited by the Accreditation Council for continuing Medical Education to provide continuing medical education to physicians.

The California Society of Anesthesiologists designates this live activity for a maximum of 25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology Program (MOCA)

Maintenance of Certification in Anesthesiology Program[®] and MOCA[®] are registered certification marks of The American Board of Anesthesiology[®]. This activity contributes to the patient safety CME requirement for the CME component of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology[®] (MOCA[®]) program, known as MOCA 2.0[®]. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements. This activity is certified for 20 MOCA units.

Look for the asterisk (*) to designate a MOCA lecture.

Mitigation of Relevant Financial Disclosures

The California Society of Anesthesiologists requires all planners, faculty, and any persons in a position to control content for this educational activity to identify all financial relationships with any ineligible company, as defined by ACCME, to determine relevant conflicts of interest. Disclosures of these relevant financial relationships will be published in activity materials and distributed to all registered attendees. All relevant financial disclosures will be mitigated.

Planning Committee

Richard Applegate II, MD, FASA

Chair, CSA Education Planning Committee

Disclosure: Masimo and Tsumura paid grants to university

Shalini Shah, MD, MBA

Vice-Chair, CSA Education Planning Committee

Disclosure: Allergan and SPR Therapeutics Consulting

Eugenia Ayrian, MD, FASA

Program chair

CSA Staff have no relevant financial disclosures. The CSA Educational Programs Division also reviewed the syllabus and disclosures related to this education activity.
